Peter Tong 1807 Limetree Lane Mountain View, CA 94040

	PATENT APPLICATION
Attorney Docket No.	202-Cont2

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Inventor(s):	Chi Fai Ho, John Delfavero, Jr., Peter P. Tong
Serial No.:	Examiner:
Filing Date:	Group Art Unit:
Title:	Inexpensive Computer-Aided Learning Methods and Apparatus for Learners
US PATENTS & Alexandria, VA	SIONER FOR PATENT TRADEMARK OFFICE 22313-1450 INFORMATION DISCLOSURE STATEMENT
Sir:	tion Disclosure Statement is submitted:
x ur (V or	oder 37 CFR 1.97 (b), or Within three months of filing national application; or date of entry of international application; before mailing date of first office action on the merits; whichever occurs last) der 37 CFR 1.97 (c), together with either a: Certification under 37 CFR 1.97 (e), or
]	a \$200.00 fee under 37 CFR 1.17 (p), or (After the CFR 1.97 (b) time period, but before final action or notice of allowance, whichever occurs first) der 37 CFR 1.97 (d), together with a:
ا ا	Certification under 37 CFR 1.97 (e), and
Į.	a petition under 37 CFR 1.97 (d) (2) (ii), and
	a \$130.00 petition fee set forth in 37 CFR 1.17 (i) (1).
Ļ	(Filed after final action or notice of allowance, whichever occurs first, but before payment of the issue fee)
information of application and 1.98(d), copies cited by and su A concise exp foreign language CFR 1.56 (c) n cited in a sear language version application and the control of the cited in a sear language version application and the cited in a sear language version application and the cited in a sear language version application application and the cited in a sear language version application and the cited in a sear language version application and the cited in a sear language version application and the cited in a sear language version application and the cited in a sear language version and the cited in a	abmit herewith Form PTO 1449 - Information Disclosure Citation of patents, publications or other which applicant(s) are aware, which applicant(s) believe(s) may be material to the examination of this d for which there may be a duty to disclose in accordance with 37 CFR 1.56. As indicated in 37 CFR is of the patents, publications or other information are provided herewith only if they were not previously bmitted to the Office in any prior application(s). Idanation of the relevance of foreign language patents, foreign language publications and other ge information listed on PTO Form 1449, as presently understood by the individual(s) designated in 37 nost knowledgeable about the content is given on the attached sheet, or where a foreign language patent is ch report or other action by a foreign patent office in a counterpart foreign application, an English on of the search report or action which indicates the degree of relevance found by the foreign office is PTO 1449 and is enclosed herewith.
It is requested t	hat the information disclosed herein be made of record in this application.
	Respectfully submitted,
	Peter P. Tong Attorney/Agent for Applicant(s) Reg. No. 35757 Date: October 22, 2003 Telephone No.: (650) 625-8192
